## Alubright Extra (Concentrated Aluminium)

Description	Dilution			Available in			
	Light	Medium	Heavy	1	5	25	200
<p>Is specially formulated thin, clear solution to clean and brighten aluminium surfaces.</p> <p>It can be used for:</p> <ul style="list-style-type: none"> <li>• Stainless Steel Tankers</li> <li>• Engine Blocks</li> <li>• Fuel Tanks</li> <li>• Boilers and</li> <li>• Aluminium</li> </ul> <p>Is also a powerful rust remover which should be used in dip tank applications, undiluted.</p> <p>If it is left for more than one minutes and not diluted properly, it can cause damage to metals and other surfaces.</p>	1:50	1:10	1:1	*	*	*	*

## Bio-D Extra (Biodegradable Medium Duty Water Based)

Description	Dilution			Available in			
	Light	Medium	Heavy	1	5	25	200
<p>A alkaline water based degreaser which does not contain caustic soda, solvents and any harmful additives.</p> <p>It can be used in workshops and laundries.</p> <p>It can also be applied through high pressure cleaner or foaming equipment.</p> <p>It will not cause damage to rubber seals and should be diluted it can be used on painted surfaces.</p> <p>It is a non toxic environmentally friendly degreaser.</p>	1:20	1:5	Neat		*	*

## PSD 1000 (Heavy Duty Solvent Based Degreaser Citrus)

Description	Dilution			Available in			
	Light	Medium	Heavy	1	5	25	200
A green solvent based degreaser used for heavy grease and oil cleaning application.							
It contains various surfactants to allow deeper penetration into heavy soiled applications.			Neat		*	*	*
Contains citrus additives which makes it low fume and much more friendly to work with.							
All finished applications should be rinsed with water and left to dry for a few minutes.							

## Hand Cleaner Gel (With no Grit)

Description	Dilution			Available in			
	Light	Medium	Heavy	1	5	25	200
High quality hand cleaner gel contains surfactants to ensure products top performing hand cleaner.							
It does not contain grit and can be used on sensitive hands and will not cause blockage in the water pipe system.			Neat	*	*	*	
This luxury gel contains skin moisturizers to stop skin from drying out after usage.							

## Citrosolve (Biodegradable Water Based Degreaser Citrus)

Description	Dilution			Available in			
	Light	Medium	Heavy	1	5	25	200
A neutral water based degreaser, does not contain caustic soda, solvents any harmful additives.							
Can be used in: <ul style="list-style-type: none"> <li>Homes</li> <li>Workshops</li> <li>Laundries</li> </ul>	1 :100	1:50	1:20	*	*	*	
Will not cause damage to rubber seals and should be diluted in most applications.							
When diluted it can be used on painted surfaces.							
It is an non toxic environmentally friendly degreaser.
